EXPERIENCE

Education Fair Committee   Oct 2023 - Oct 2023
Committee in Consumption Division
- Helped organize the process of distribution for consumption from preparing boxes, to providing food and drinks for presenters and other committees, ensuring the satisfaction of guests by catering to their needs and also maintaining smoothness throughout the process.

Debate Club Member   Jan 2023 - Jun 2023
- Joined a debate club hosted by the school in which the training consists of defending a side of a topic, and improving skills to communicate ideas effectively with little preparation.

ACHIEVEMENTS/AWARDS

Corporate Entrepreneurship Experience (CEE) Competition   Jun 2023 - April 2024
Achieved Second Place out of 24 Groups with 8 Finalists
- Developed a prototype of a marketplace platform for an international company specializing in automotive spare parts, incorporating insights gained from firsthand work experience and employee feedback..

BrightChamps Coding Competition   Nov 2022 - Nov 2022
Achieved a Ranking of Top 500
- Participated in a Coding Competition that aims to use critical thinking skills to manage problems that might occur in a work environment.

Entrepreneurship Camp Competition   Apr 2022 - Jun 2022
Achieved Second Place
- Presented a prototype of a program that was initiated in housing areas to further promote awareness about sorting different types of trash using multiple modes such as a website, design for trash bags, and posters after careful consideration to maximize improvement within the company using the least amount of work.
